

Yuille Park Community College Strategic Plan 2014 - 2018

Yuille Park P-8 Community College is a multi-campus school providing an innovative curriculum based around an inquiry approach to learning. Students work in learning communities in multi-age groups building relationships and participating in a range of programs designed to provide collaborative learning opportunities.

Yuille Park P-8 Community College provides a rich and nurturing learning environment that engages students to develop Lifelong Learning skills in an atmosphere of cooperation, challenge and respect. Our school reflects and enhances our community's commitment to the development of lifelong learning skills for young people in our community.
